Suggestions for Items to be Woven into the Fabric Time Capsule

“Weaving Your History, A Fabric Time capsule”

Sandy Creek Weavers will be in your school to conduct a “Weaving Residency.” We encourage you to participate in weaving your history!

Please bring to school as many items as you want that represents who you are and what is important to you at this time in your life to weave into the Fabric Time Capsule. The item can be of sentimental value to weave into the tapestry. A 300-year-old loom is used during the weaving residency.

You will weave these items with your hands!
